York County Children's Advocacy Center 2025 Wine Dinner: An Evening in the Vineyard

Raise a Glass in Support of Childrens' Healing

Support the healing journey of children and families affected by child abuse by sponsoring or donating to our upcoming 2025 Wine Dinner, benefiting York County Children's Advocacy Center, a local 501(c)3 non-profit. This special event is a unique opportunity to enjoy an evening of elegance while empowering victims of child abuse to find hope, safety, and healing. Your sponsorship or silent auction donation will directly support essential programs including:

- providing forensic interviews, forensic medical exams, and family support and advocacy for an estimated 800 children and their caregivers
- ensuring that every child victim of abuse and neglect has a safe place to disclose their abuse
- facilitating a coordinated response between law enforcement, child protective services, and prosecution for each child abuse investigation
- ensuring that children and families are provided referrals for aftercare support and services, including therapy
- delivering child abuse prevention education programming in local schools and throughout the community

By sponsoring or contributing a silent auction item, you're not only showcasing your commitment to community well-being, but also gaining exposure among compassionate supporters who believe in a future free from abuse. Silent auction items such as unique experiences, gift packages, or gift certificates are especially appreciated and help raise critical funds throughout the evening. If you have a group who would like to attend, please consider a sponsorship!

Join us in making a lasting difference. Your support will bring life-changing resources to those who need them most and create an evening to remember. Together, we can create brighter, safer futures for children and families in our community.

Sincerely,
