2022 Wine Tasting Dinner with Children's Advocacy Center "Wine in the Gardens"

The mission of the York County Children's Advocacy Center is to reduce the trauma of child abuse investigations, to foster professional collaboration and cooperation, and to promote education and advocacy regarding the prevention of child abuse within the community.

YOU can do something about child abuse in your own community.
By supporting the York County CAC, you help to:

- Ensure that every child victim of sexual abuse, physical abuse and neglect has a safe place to disclose their abuse
- Provide a coordinated response between law enforcement, child protective services and prosecution for each child abuse investigation
 - Ensure that children and families are provided referrals for aftercare, support and services, including medical exams and therapy

We hope that you can join us for this special event.

If you are unable to attend, please consider a donation to our silent auction. If you have a group that would like to attend, please consider a sponsorship. The Children's Advocacy Center appreciates your support and we look forward to seeing you on June 10th for Wine and FUNdraising!

Sincerely,

Deborah Harrison
