York County Children's Advocacy Center 2023 Wine Dinner: Wine in the Gardens

YOU can do something about child abuse in your own community!
By supporting and attending our 5th Annual Wine Dinner, you support an estimated 800 children and their caregivers in the upcoming year. Your support goes directly to our programs and helps to:

•
Ensure that every child victim of sexual abuse, physical abuse and neglect has a safe place to disclose their abuse

•
Provide a coordinated response between law enforcement, child protective services and prosecution for each child abuse investigation

•
Ensure that children and families are provided referrals for aftercare, support and services, including medical exams and therapy

•
We hope that you can join us for our special Wine in the Gardens event. If you are unable to attend, please consider a donation to our silent auction. If you have a group that would like to attend, please consider a sponsorship.

The Children's Advocacy Center appreciates your support and we look forward to seeing you on June 9th for Wine and FUNdraising!

Sincerely,

Deborah Harrison
