Third Party Fundraising Guidelines

The York County Children's Advocacy Center is always grateful for the generosity of members of our community who provide gifts of time and money. We rely on the support of organizations and individuals like you to allow us to make a difference in the lives of children. We are extremely grateful that you are interested in raising funds for the YCCAC. Please take a moment to read through our fundraising guide and complete the attached form.

Before you begin / General information-

The York County Children's Advocacy Center is extremely proud of our record of service and the image it portrays to the public. For this reason, York County Children's Advocacy Center allows its name to be used only in circumstances and for activities that are compatible with its mission and are consistent with the image of our organization. Third-party fundraising events should not directly conflict with an existing York County Children's Advocacy Center fundraising event.

What is a Third Party Fundraiser? A third party fundraiser is when an outside organization or business plans and executes an event to benefit a particular organization.

Why do I need to complete the attached form before planning our event? The staff and Board of Directors of York County Children's Advocacy Center would like to have record of the individual events that are taking place to benefit our Center. This will also allow us to help you in any way possible.

What percentage of the funds generated will stay in York County? 100%! Every penny that is generously donated through your event will remain right here York County to help children in our community. We would be more than happy to provide you with information on how the money is used to help children.

How do we articulate that the event will benefit the York County Children's Advocacy Center ? Your event may not be represented as **sponsored by** the York County Children's Advocacy Center. Promotions should reflect York County Children's Advocacy Center as the **beneficiary** and not directly conducting the event. (i.e. "the proceeds from (Event Name) will benefit the York County Children's Advocacy Center "). The promotion cannot give the impression that York County Children's Advocacy Center endorses or sponsors any products or organization. (i.e.- York County Children's Advocacy Center supports Club XYZ)

We are also donating the proceeds to other organizations- If there are other organizations that will benefit; please make that clear in the promotion of the event. All recipient agencies should be clearly listed.

May we use the York County Children's Advocacy Center logo?- We encourage you to use the logo, but you will be asked to follow certain policies. We will be more than happy to provide you with a file of the logo, but we must reserve the right of final approval of all materials utilizing our logo or name.

We would like to obtain sponsors to underwrite the event- Great idea! It is recommended that any potential corporate or organizational underwriting sponsors that you contact be pre-approved by a York County Children's Advocacy Center representative to ensure there is not a conflict with other key event sponsors or donors currently supporting York County Children's Advocacy Center for other events.

Support & Materials

Will York County Children's Advocacy Center supply staff/volunteers for our event? We have an extremely small paid staff and limited access to volunteers. You should plan on recruiting your own volunteers to provide the people power for your fundraiser. We will be more than happy to speak to you about how to make your event successful.

What materials will York County Children's Advocacy Center provide? We can provide brochures, and information/fact sheets for your event. All items should be picked up at the York County Children's Advocacy Center offices at 28 S Queen Street, York, PA. Any material not distributed should be returned to the Center.

Can a representative come and speak at our event or to our business/organization? Absolutely! We can schedule a volunteer or staff member to speak about the services we provide and the difference our programs make in York County. A minimum of 2 weeks advance notice is asked to fulfill the request.
